

Family Volunteering Commitment

Hi Everybody! Welcome to the St. Cajetan 2017-2018 school year. As in the past, each family (1 member of that family) will be responsible for volunteering for ONE activity or event throughout the school year to fulfill their family commitment. If you do not sign up for an activity, fail to show up to your activity, or opt out of the family commitment, your family will be charged \$200. All families kindergarten through eighth are required to volunteer. Preschool families do not need to sign up for an event, but are more than welcome to contact the event coordinator to help out.

On the backside of this paper is a list of all of the event options that can fulfill your family commitment. After you decide which event you would like to volunteer for, you will need to go to the web site listed to the right of that event and sign up. **IF YOU DO NOT SIGN UP ONLINE, YOUR NAME WILL NOT BE ON OUR LIST AND YOU WILL NOT GET CREDIT.** Most of the **dates listed on the volunteer page are approximate, as specific dates aren't always secured this far in advance.** Please take note that this year families will be required to work the entire event to get credit, rather than just part of the event. The coordinator of the event will contact you prior to the event to tell you your specific assignment.

Some other changes this year include events that now fulfill the family commitment which haven't in the past. These activities include Room Parent, Santa Workshop Workers, Book Fair Workers, Party around the Parish, Irish Fest, Ring Around the Warrior, Parish Picnic, and Little Warriors / Bumpers Coordinators. We have also added Dine Out Night Worker as an event. If you sign up for Dine Out Night, the job entails sitting at the restaurant and handing out the uniform passes to families who attend.

In advance, thank you so much for helping out. As the saying goes, "Many hands make lighter work!"

REMEMBER THE FOLLOWING:

- Only sign up for one event
- Sign up is on a first come first serve basis
- The fee for not signing up, not showing up, or opting out is \$200
- You must sign up online for the event you wish to work using the website on the back of this page
- Dates on the web site are approximate and not definite
- If you signed up to work an event you will receive an email with specific information
- BE KIND – we are all volunteering for our children's school. We understand everyone is busy and has important things to do. Your kindness is really appreciated by the people who are coordinating the events and spending a lot more time than the mandated hours.
