# Club Cajetan Winter 2018

<p><b><u>March Madness with Ms. Coggeshall and Ms. Setterblad (4th-8th):</u></b>  <b>Come learn all about the NCAA March Madness basketball tournament, the colleges that take part in the tournament, and make your own bracket for this year's tournament!</b></p>	<p><b><u>Snow Much Winter Fun! with Ms. Murphy and Ms. Reilly (Kindergarten-4th):</u></b>  <b>Come have "Snow Much" fun in this winter themed club caj. We will do a variety of fun winter activities such making our own "snow", making a sweet treat, and painting away the winter blues!</b></p>
<p><b><u>Wee Warriors Around the World with Ms. DeVivo and Mrs. O'Malley(Preschool and Kindergarten):</u></b>  <b>Pack your bags and get ready to take off for some fun adventures around the world! Our Wee Warriors will spend 4 weeks exploring new places and new cultures while we do fun crafts and activities.</b></p>	<p><b><u>Chess Scholars (K-8th):</u></b>  <b>Develop your intellect through the fun game of chess! Research shows a strong link between chess and academic performance. Chess has also been proven to enhance motivation, concentration, and creativity. No previous chess experience needed. Come join the fun!</b></p>
<p><b><u>Coding Bots with Ms. Wilkison(4th-8th):</u></b>  <b>Love technology? Have a passion for computers? Want to play with robots? Then come join us in the Computer Lab for 4 weeks of coding! We will be learning the basics of computer science and apply coding to solve problems. We'll also use our coding concepts to bring robots to life!</b></p>	<p><b><u>Moana Club with Mrs. Balash and Ms. Lysaught(Preschool-3rd):</u></b>  <b>Make way, Make way! Moana Club Cajetan is going to be 4 weeks of fun filled Moana themed crafts like making seashell picture frames and activities including hula dancing with grass skirts. Join us and see "How far we'll go!"</b></p>
<p><b><u>Science Club with Ms. Bonner(4th-8th):</u></b>  <b>Planning St. Cajetan's first greenhouse!</b></p>	<p><b><u>Yoga with Liz Smith (K-5):</u></b>  <b>These classes are a natural way to exercise, relax, focus, and strengthen the mind and body through postures, breathing exercises and relaxation.</b></p>
