

Wednesday's Folder

Book Fair

The Scholastic book fair will be coming to St. Cajetan in November. The book fair earns Scholastic dollars for our classrooms, allowing the school to choose books and other needed items. Preschool through 8th grade students attend the fair, which is held in Memorial Hall.

Set up will be Monday, 11/7 from 6-8pm. We will hold the fair Wednesday, 11/9, from 8am-2pm, with an evening fair from 6-8pm, and also Thursday, 11/10, from 8am-2pm, with an after school fair from 2:30-3:30pm (This is also the day of our Veteran's Day Service, so bring along a family member to shop with you). Clean up will be immediately following the after school fair.

We depend on volunteers to make this another successful fair. If you can lend your time on any of these dates, please contact Eileen Durkin at etdurkin@hotmail.com. We break the daytime shifts into 8am-11am and 11am-2pm shifts. In addition to ringing up the items, kids need help choosing and finding items and calculating if they have enough money for their purchases. Thanks so much!

Guided Reading Reports

Students in grades KG-3rd grade will be bringing home a Guided Reading report today. This will give you some baseline information on your child's reading level and the program we will be using to remediate and enhance student learning. Please review these reports and if you have any further questions, your child's teacher will be happy to answer them.

Halloween

Our Pre-K thru 3rd grade children will be allowed to dress up and participate in our Halloween parade this year. Our 4th-8th grade children may dress down in orange or black colors. Classroom teachers will be sending details next week.

Halloween Candy

If you have any extra candy left after October 31st, the Parish Peanut Butter and Jelly Brigade would be happy to take it off your hands. They use the candy when packing lunches for those less fortunate. Extra candy can be dropped off in the Parish Center.

Pack the House Night

The girls basketball program is having their “Pack the House” day on Sunday, October 30th as it is the last scheduled home game for our 8th grade girls. The games will be played at 2:00 and 3:00.

Shout Out

A HUGE shout out goes to Mr. and Mrs. Rogala who have dedicated so much of their time planning Homecoming, the Pep Rally and the Walkathon. You truly are a blessing to our school.

T.R.I.P.

The Tuition Reduction Incentive Program, or TRIP, is an opportunity that benefits both our school and our families. Individuals can purchase gift certificates to a wide variety of retailers (i.e., grocery stores, gas stations, restaurants, etc.), and a portion of that purchase goes right back to St. Cajetan. Once a family’s account reaches \$250 – the minimum contribution required for each school family – any additional revenue from the gift certificates is shared between the school and the family, resulting in a reduction in tuition. [Click here](#) to learn more and view our merchant’s list.

Volunteers Needed

We are in need of some parents to help sort Walkathon shirts tomorrow in Memorial Hall at 7:45 am. If you can assist, please check in at the office for a pass. Thank you!

Walkathon

Our Walkathon will take place this Friday. T-shirts will be going home tomorrow. These are to be worn on Friday, along with school gym pants and gym shoes. The Grand Prize for the Walkathon was upgraded to a 2 night weekend stay at the Sheraton Grand Chicago with a choice of breakfast or lunch at the LB Bistro Patisserie. For every \$50 children raise, they will receive a raffle ticket for this prize. The more money they raise, the better their chance to win. We look forward to a beautiful day!
