Ms. Devivo, our preschool teacher, is back with us yet still recovering and easing her way back into school. Her neurosurgeon is very happy with the progress she's made thus far as she continues in the healing process. They were able to remove all of the tumor from her brain and now levels and counts will start to regulate. Minor restrictions, non-strenuous activities and rest are helping to get her feeling back to herself. Regular scans and appointments will be necessary to be sure all is healing correctly, and the past several weeks, things are looking good. The road to recovery is long but with support from Warriors nothing is too difficult!!

Also, this Saturday our 2nd graders will make the sacrament of First Holy Communion. Please keep them in your prayers as they receive the body and blood of our Lord, Jesus Christ for the first time.
