April 5, 2017

Our 4th and 5th graders were able to partner with Marist High School students last week and engage in anti-bullying lessons. Our 4th graders took it one step further and decided to do their own anti-bullying campaign by making posters and placing them around the school. Great job being leaders 4th graders!!

We are also excited to celebrate our very own authors!! The third grade students recently became PUBLISHED authors. These pictures were from their book signing day and red carpet walk.
