Ambassador Parent Program

Our Ambassador Program is looking for some experienced parents to mentor/ host some of our new families entering our school. The good news is we have a large number of new families. The bad news is we only have a few current Ambassador families and need some new recruits. Since the last newsletter we recruited five new Ambassadors already so thank you to those that reached out to Kate. The door is still open for a few more Ambassadors. This is a great way to make a difference in a non-time consuming way. If interested, please email Kate Marchetti at kmarchetti721@gmail.com.
