

# CHOICE BOARD FRIDAY

## Parents,

New board today! Your child will have some required activities and also some choice activities. For the choice portion, they are to pick 4 activities to do each Friday until they complete the board. Once your child completes the activities, we are asking PARENTS to email their child's homeroom teacher listing the 4 activities their child did. If all of your kids in your home do the same activities, you only need to send one email addressed to all the teachers. This email will be the teacher's way of giving the student credit for the day. We are trusting that our parents oversee these activities~ yes an honor system.

## REQUIRED

- iReady Math (Time to finish your 45 minutes of iReady)
- Corrections made to work that teachers may have asked for, if any
- **Virtual Field Trip** ~ we are going to India in the southern part of Asia
  - [PreK- 4th](#)
  - [5th- 8th](#)

Students are to pick **ONLY 4 activities** to complete from the board **EACH Friday**. Do not repeat the activities you did last week but instead pick 4 new ones. For example, if you picked mindfulness, prepare a meal, read for 20 minutes and yoga last week, you cannot pick those again this week.

**Most important direction- have FUN!!!**
