Welcome to the 2016- 2017 school year. I hope that your family had a good summer and enjoyed your vacation time.

I am writing this note to inform you of some changes in the Physical Education program and to emphasize some of the current policies that have long been established.

We will continue to uphold the gym uniform policy as described in the Parent-Student Handbook. If your child is not dressed for gym, they will not be allowed to actively participate. It is not my goal to punish someone who is out of uniform, only to maintain class order.

This year we have received permission to utilize Kennedy Park for our outdoor classes of soccer, baseball/softball, touch football, and other activities we normally would do in the school parking lot. We will make sure that all safety precautions are taken into consideration when we walk to the park and make sure that communication with the office is always available. We do need your permission for this to happen and would ask you to fill out the form below and return it along with any health problems to the homeroom teacher no later than September 2nd.

We look forward to a wonderful year!
